Deb,
OCIR gave us a short-fused request. The Administrator is holding a conference call with the Governors' Biofuels Coalition tomorrow (Friday) afternoon. Gov. Daugaard (SD) is participating (along with Iowa and Nebraska).

We provided info pertaining to the D/B public meetings (see below). The CW Rule TPs are from HQ.

Best regards,

Andrew

Hi Becky,

Talking points on the CW Rule are coming from headquarters – I've attached the points that were provided to the region last week.

For Dewey Burdock, and the request for an additional public hearing, we have not gotten any go-ahead from the tribe yet to schedule, so the last Hot Topic (below) is still accurate.

Please call if you have any further questions or concerns.

Thank you,

Jody

Public Hearings on the Draft Underground Injection Control (UIC) Permits for the Dewey Burdock Uranium In-Situ Recovery (ISR) Project Begin the Week of April 24, 2017.

Key Message: On April 27, 2017 Region 8 will hold its first public hearing in Valentine, NE on the draft UIC permits and associated aquifer exemption for the Dewey Burdock ISR project located in Edgemont, SD.

- Region will hold 4 public hearings on this project to ensure adequate opportunities for public participation in this proposed action.
- The schedule for public hearings is:
 - April 27 in Valentine, NE
 - May 8-9 in Rapid City, SD
 - May 10 in Hot Springs, SD
 - May 11 in Edgemont, SD
- The EPA will hold public outreach sessions for 1 hour before each public hearing begins. The format of the public outreach sessions will include informational presentations by the EPA with opportunity for the public to ask questions.
- Detailed information about the public hearings was made available on March 6, 2017 in the public notices, on the EPA website and in emails sent out to interested parties.

- The public comment period will end on May 19, 2017.

Hi Jody

Administrator Pruitt will hold a conference call with the Governors' Biofuels Coalition tomorrow afternoon. Gov. Daugaard is participating (along with Iowa and Nebraska).

Can you provide a few top-line hot issues for SD? Turnaround is quick, we need them no later than 1pm ET today. Let me know if any questions.

Thanks!
